Tenet Health: Care You Can Count On

When you choose Tenet Health, you have access to primary and specialty care clinics, diagnostic imaging centers, micro-hospitals and off-campus emergency departments. Its vast network of providers is focused on providing you with expert care combined with a healthy dose of attentiveness and support.

In addition, many Tenet Health providers can now 'see' you online, and it's as easy as ever to make an appointment. Telehealth lets you stay safely at home and get the diagnosis and care plan that you need. All you need is a mobile device with a camera.
