

Penn Medicine Washington Square

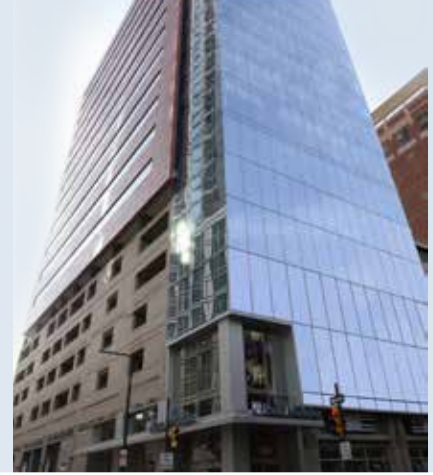

800 Walnut Street | Philadelphia, PA 19107

Penn Medicine Washington Square is a multi-specialty health care facility located in the heart of Center City Philadelphia. Penn Medicine physicians from a variety of medical specialties see patients at this location. Patients can consult with a specialist and access lab services all in one place, which helps facilitate communication between primary care providers and specialists.

Evening and weekend appointments are available. Parking is available at an on-site garage as well as the garage located nearby at Pennsylvania Hospital.

Delancy Internal Medicine and Spruce Internal Medicine are designated as Patient-Centered Medical Homes by the National Committee for Quality Assurance. A Patient-Centered Medical Home is a model of care that strengthens the physician-patient relationship through accessibility, communication and utilizing the latest information technology.
