Our Provider Partners Offer Virtual Care Options

Whether its care for yourself from HCA Gulf Coast or Houston Methodist, or pediatric care for a family member at Texas Children's Hospital, virtual options are available. Virtual care provides you with quality and convenient care from the comfort of your home using a smartphone, computer or tablet.

In addition to virtual care, each of our partners also offer online patient portals that allow access to your personal health records.

Price Protection Wherever You Go

Our provider partners help you get quality care without overpaying. This includes access to care from our featured partners as well as an additional 1,700+ primary care physicians and specialists.

Need to see a provider who is not an Imagine partner? We'll review your claims to make sure you pay a fair, reasonable price for care, wherever you go. If a provider ever bills you for more than your plan's allowable claim limits, just call the number on your benefits ID card.

Additional Imagine Health Benefits

In addition to our Imagine providers, you also have access to all CVS MinuteClinic® locations nationwide, which provide a broad range of services to help keep you and your family healthy.

Need lab services? Rely on Quest Diagnostics for all your lab-related diagnostic services.
