Community Health Network: Care You Can Count On

When you choose Community Health Network, you have access to a full range of care including physicians, specialty and acute care hospitals, as well as surgery centers and home care services.

At Community Health Network, they are committed to providing patient-centered care and outstanding service, delivered with respect and compassion.

For more information on Community Health Network as a featured provider, visit our special webpage by [clicking here](#).

Price Protection Wherever You Go

Our provider partners help you get quality care without overpaying. This includes access to care from our featured partners as well as an additional 200+ primary care physicians and specialists.

Need to see a provider who is not an Imagine partner? We'll review your claims to make sure you pay a fair, reasonable price for care, wherever you go. If a provider ever bills you for more than your plan's allowable claim limits, just call the number on your benefits ID card.

Community Health Network Hospital Locations:

- Community Hospital South
- Community Hospital East
- Community Hospital of Anderson
- Community Howard Regional Health, Inc.
- Community Heart and Vascular Hospital
- Community Hospital North
