Orlando Health: Healthcare You Can Count On

Orlando Health has a vast network of providers, who place the focus of care on each individual patient. They believe in the strength of the relationship between the patient and each personal primary care physician. This is meant to help you take charge of your health.

With Orlando Health, you have access to services and programs like:

- Primary Care
- Specialty Care
- Urgent Care Services
- Outpatient Laboratory Services
- Surgery Centers

Price Protection Wherever You Go

Our provider partners help you get quality care without overpaying. This includes access to care from our featured partner, Orlando Health, but also an additional 400+ primary care physicians and specialists.

Need to see a provider who is not an Imagine partner? We'll review your claims to make sure you pay a fair, reasonable price for care, wherever you go. If a provider ever bills you for more than your plan's allowable claim limits, just call the number on your benefits ID card.
